

NEWSLETTER November

Hello Parents and Guardian,

Welcome to the month of November! In addition, as we head into the month; we will have another fun filled month of learning and exploring.

Our Themes –

Harvest time, pumpkins and leaves. We will be learning and exploring all fall has to offer!

- Learning the different bounties of food there are.
- Learning why leaves change color
- What harvest means at this time of year.

We will incorporate math, science, literacy and “phonetic awareness” using the teaching tool

Zoophonics.

We will continue to work on our cognitive, social, emotional, physical, and linguist skills.

Thanksgiving and family - What does it means to us. We will go over the history and why celebrated throughout the USA. We plan to have a little Thanksgiving/ Harvest celebration in the classrooms towards the latter part of the month. Please look out for more information coming!

We will try to have our FUN FRIDAY activities for parents to join via Zoom. I just need to have some of the classrooms back in there actual room. Also, double-checking that all of the computers sound, visual work properly.

I hope to have this all set up by (fingers crossed) next week. Please look out for that. With that, I do need the correct emails for all of our Preschool parents. Teachers and I will check with you all this week that we do indeed have the correct one. I thank you for your patience

In our UPK classrooms, we will incorporate the Themes for the month along with UPK program.

Discovering and learning all about Friends and all it entails. Centers/ Activities –Art Studio

Library

- Block area Puzzles and Manipulatives
- Discovery Table
- Dramatization
- Writing and Drawing
- Mathematics
- Literacy
- Read Aloud
- Critical Thinking
- Art and expression

Reminders-

- We are closing Early on Wed Nov 24th 2:30 pm
- Closed Thursday the 25th and Friday the 26th in observance of Thanksgiving.
- Do not forget to check the inside of the backpacks after school each day for artwork, wet clothing, hats, gloves, etc.
- Do not forget to bring in your child's mask every day, also supplies that include diapers (if needed) and a complete change of clothing (labeled please).
- Remember to mark all of your child's outerwear including shoes and boots to prevent loss.

I wish you all a Happy and safe Thanksgiving Holiday.

Ms. Teresa and Preschool Teachers
